COVID – 19 PROCEDURES

Due to the nature of the pandemic, the protocols and guidelines are continually evolving. We are constantly cleaning and disinfecting every surface and area of the club. Masks must still be worn; social distancing is strictly enforced and a signed Covid-19 waiver form for each weekly session is still required for entry into the club.

SUMMER TENNIS PROGRAM 2021

WELCOME

Since the 1970's, we have been developing the abilities of junior tennis players here at the Waltham Athletic Club. Our staff of skilled professionals has taught the game to thousands of children providing them with a fun and healthy skill that lasts a lifetime. The Summer Tennis Program is one of the highlights of our year, with several of our most in demand coaches staying on to take advantage of the unique opportunity to focus for an entire week or more on players' games. This concentrated and continued effort is invaluable for any player looking to expand and develop their tennis game. We pride ourselves on our ability to build the skill sets of every player regardless of their age or experience.

VENUE

Our program is held at the Waltham Athletic Club, where we enjoy access to seven tennis courts regardless of inclement weather.

SCHEDULE

We will be holding 11 five-day sessions beginning the week of June 21-26 and ending the week of August 30 – September 3. Each session will run Monday through Friday with a half day (morning) only on Fridays. Students may enroll in any number of sessions; they do not need to be consecutive. We are also offering a playday option on Friday afternoons. All intermediate and advanced level players who participate in the week - long program may choose to attend.

AGE AND LEVEL

Our staff is trained to accommodate players of all ages and levels. If you have any questions about a younger child's ability to handle a full day (or morning) of tennis and related activities, please feel free to contact our tennis office to discuss possible options. Please note the Advanced/evaluation requirement before signing up for the advanced program.

WALTHAM ATHLETIC CLUB

SUMMER TENNIS PROGRAM

DAILY SCHEDULE

Tennis Instruction...9:00 AM – 12:00 PM

Traditional and Advanced

Each Monday morning players will be split up into groups based on age and ability. Throughout the week, instructors will work on specific strokes technique, conduct drills designed to improve the overall abilities of players and play games that are fun but also develop key skills. We place a premium on individualized coaching throughout our junior programs.

Lunch Break...12:00 PM – 1:00 PM

The rest is well earned after a morning of hard work on the court – players should bring their own lunches, drinks and drink containers.

Afternoon Program...1:00 PM – 4:00 PM

Traditional (No Afternoon Program on Fridays)

Players will compete in tennis games and matches, complementing skills learned during the morning sessions. The afternoon component is designed to be less strenuous while focusing on tennis and general athleticism.

Advanced

This option is designed to serve as both a suitably intense companion to the morning instruction and as a stand – alone program, and is comprised of player – specific drilling, level specific and coached match play and tennis – specific fitness. The instruction at this level is focused and intense and is appropriate only for serious tennis competitors. Players must be in the Advanced level at the WAC or be evaluated and approved by a WAC tennis staff member to enroll. Intermediate level players may be allowed to participate on a case by case basis.

Extended Program...Monday – Thursday 4:00 PM – 5:30 PM

For students who need a later pick up, players will be supervised by an instructor and enjoy free time on the tennis courts

Please call the club to arrange this option prior to the week of attendance.

SUMMER TENNIS PROGRAM

STAFF

Tim Tunis – Director

Tim has been coaching with us at the WAC since 2010 and has been one of the most sought-after coaches at our club due to his enthusiasm, knowledge of the game and unique ability to forge lasting relationships with his students. Tim has been playing tennis since he was seven years old but really started devoting himself to it in high school. He then went on to be an All-Conference player at Springfield College and is able to share his experiences and ability to enjoy rapid improvement with his students. He is a remarkable coach and is excited to be running the program this Summer.

Warren Avery – Lead Instructor

Warren will again join us this Summer bringing with him over 20 years of experience coaching juniors. He played collegiately at UMass, has been a top ranked player in the USTA adult circuit in New England and competed in national level doubles tournaments with his elite level daughters. Warren is a highly technical coach who will provide all of our players with invaluable knowledge and training.

Lindsay Benoit – Staff Professional

Coach Lindsay came to the WAC from The Shrewsbury Club. She is a PTR Certified Instructor and spent four seasons as Head Coach of the Bancroft Middle School. Lindsay has experience working with all age groups and levels of tennis players. She played four years of DIII tennis at Nichols College where she studied Sports Management.

Alex Butron – Staff Professional

Alex has trained through the WAC tennis program since 2014 and is now a valued member of our staff. He is a highly motivated coach with five years of experience teaching at all levels and ages in our Summer program. His passion for tennis brings enthusiasm, competitiveness and hard work to the playing environment. Having tournament experience playing in USTA New England and at UMass Amherst, he aspires to develop a competitive spirit in all his players.

Adam Courtemanche – Staff Professional

Adam came to the WAC from the Agawam Hunt Club in East Providence, RI. He has been playing competitive tennis since he was ten years old. Adam played Division 2 tennis for four years at West Chester University and has six years of professional experience teaching players of all ages and levels.
